ABOUT

OVER 18 YEARS AS A
GLOBAL LEADER IN
LASER TAG, SERVING
2,000+ CLIENTS
WORLDWIDE

AMERICAN MADE

As a proudly American-made company, our equipment is manufactured in Waukesha, WI, where it undergoes rigorous testing to ensure top-notch quality for our customers.

VERSATILITY

We offer a range of laser tag systems, including Tactical, Battle Quest, and Mobile systems, designed for all ages and adaptable to both indoor and outdoor use.

WORLDWIDE

iCOMBAT is featured in **75+ countries**, with a global community of over **1 million active players** in our laser tag database.

OUR PROMISE

TO DELIVER AN
IMMERSIVE EXPERIENCE
LIKE NO OTHER WITH OUR
LASER TAG EQUIPMENT
AND SOFTWARE.

DURABILITY

Laser tag equipment built to withstand rigorous use, minimizing your downtime.

ENGAGING

Delivering over 50+ unique games that keep customers coming back for more action!

GUIDANCE

Dedicated Account Manager and support team, helping you every step of the way.

TACTICAL

LASER TAG EQUIPMENT

Our tactical equipment mimics real firearms with recoil and different firing modes, giving players an immersive playing experience.

USAGE

INDOOR AND OUTDOOR

ARENA SIZE

6,500+ SQ FT (600 SQ M)

irSMG

The irSMG (Sub Machine Gun) modeled after the MP5, featuring electronic recoil and sounds.

- **Adjustable Buttstock**
- **Easy Reload system**
- **2 Stage Trigger**
- **Accessory FlyRail**

irM4

Modeled after the real M4, offering realistic weight and live CO2 recoil and noise.

- **Adjustable Buttstock**
- **Adjustable Magazine Count**
- **Accessory FlyRail**

irShotgun

Mimics a real shotgun's look and feel, with realistic rack action, designed for close-quarters gameplay.

- **Accurate Shotgun Damage**
- **Simulated Shell Reload**
- **Accessory FlyRail**

irSAW

The irSAW provides authentic firing sounds, and a cool down feature for added realism.

- **Hot Barrel Simulation**
- **Collapsible Bipod**
- **Accessory FlyRail**

1. irHeadbands

iCOMBAT headbands are comfortable and equipped with sensors that detect accurate hits from all angles during gameplay.

2. irVest

This tactical vest is designed to provide realistic armor feel. Equipped with 10 strategically positioned sensors to maximize effectiveness.

3. Plate Loader Vest

The Plate Loader is a lightweight chest sensor solution. Equipped with 3 sensors on the front, 1 in the back.

StressX Belt

Known as the “Shock Belt”, is a wearable device that delivers a shock when a player is hit, adding an extra layer of intensity and realism to laser tag gameplay.

- High Voltage Shocking and Vibration Mode
- Wireless Syncing and Adjustable Sizing
- Rechargeable Lithium-ion Battery

Headbands/Vests:

- Rechargeable Lithium-ion Battery
- Available in Black or Camo
- Wireless Syncing
- Adjustable Sizing
- Self-wicking Nylon
- All-weather Durability

BATTLE QUEST

The Battle Quest line delivers an unforgettable experience for all ages. With immersive field designs, distinctive equipment, and dynamic lighting, players will feel transported to another world. Add a whole new dimension to your entertainment offerings with Battle Quest, and keep families returning for more excitement!

Valkyrie - Business In a Box

The Valkyrie is the perfect tool for mobile operators. It's easy to set up with pre-programmed games built right into the equipment. It's lightweight and features 3 sensors, 1 in the front and 2 on the sides. Headbands and vests are optional.

- 6 Valkyries Included
- Pre-programmed Games
- Durable Carry Case

Hero Blast - Business In a Box

Hero Blast Business in a Box is everything you need to start your mobile laser tag or rental operation. Just roll up to your event and open it up to access 8 Hero Blasts (4 Red and 4 Blue).

- 8 Hero Blasts Included
- Pre-programmed Games
- 2 Charging Stations Inside
- Durable Carry Case

ACCESSORIES

iCOMBAT accessories elevate gameplay with features designed for an immersive laser tag experience. The selection includes the Dominator, an interactive objective prop, the Respawn Pod allows for quick in-game revives, the irBell adds a new unique scoring game, and the irGrenade for multi-hit action, all seamlessly integrated into our laser tag software.

SCAN TO SEE
DOMINATOR IN GAME

Dominator

The Dominator syncs seamlessly with the software for complete customization. This objective prop keeps player stats and team scoring by shooting down the top.

- Multi-colored LEDs
- Adjustable Carrying Strap
- Rechargeable Lithium-ion Battery

irBell*

irBell adds an exciting element to laser tag with audio and visual notifications for scoring. Designed to be placed high on the battlefield, teams must shoot from underneath to activate it.

- Real Aluminum Bell
- Software Interactive Scoring
- Solenoid Activated Bell Noise
- Multi-colored LEDs Inside Bell

Respawn Pod

Enables quick revives during gameplay, allowing players to re-enter the action seamlessly.

- 5-10 ft Radius
- Respawn Multiple Players at Once
- Rechargeable Lithium-ion Battery

Wireless Target*

A quick and easy way to add target games to your laser tag operation.

- Multiple Mounting Options
- Stand-alone Shooting Games
- Advanced Target Games
- Rechargeable Lithium-ion Battery

irGRENADE*

The irGrenade brings an entirely different level to your gameplay. Its durable outer core is safe for rolling it under the knee.

- 2 Modes: Stun / Eliminate
- Multi-colored LEDs
- Built-in Siren Sound
- Adjustable Countdown and Detonation Time

*Requires Pro Software

GAMEPLAY SOFTWARE

ICE (iCOMBAT Engine) is a groundbreaking system that lets you fully customize your laser tag arena to fit your theme. With ICE software, you can easily make adjustments to the games, lighting, and audio in just minutes!

Laser Tag Games

BARRACKS

We keep players engaged with personalized profiles that track their scores, achievements, and progress in real time. The Barracks lets them view their local and global rankings, and allows them to book a session with locations that use our equipment and Ranked Software.

Player Profile

Players can track their sharpshooting skills with up-to-date stats on their profiles, which track progress and achievements over time.

- **Weapon & Gameplay Stats**
- **Game History**
- **Friend System**

Worldwide Leaderboard

The iCOMBAT worldwide leaderboard lets players see how they rank against others globally, adding a competitive edge to the laser tag experience.

- **1+ Million Registered Users**
- **Used Across 75+ Countries**
- **Supports 5 Languages**

Achievements

Players earn achievements and points by playing games or visiting new locations, helping them level up their profiles.

- **Over 200 Achievements**
- **Seasonal Achievements**
- **Drive Repeat Business**
