# ABOUT

OVER 19 YEARS AS A  
GLOBAL LEADER IN  
LASER TAG, SERVING  
2,000+ CLIENTS  
WORLDWIDE

## AMERICAN MADE

As a proudly American-made company, our equipment is manufactured in Waukesha, WI, where it undergoes rigorous testing to ensure top-notch quality for our customers.

## VERSATILITY

We offer a range of laser tag systems, including Tactical, Battle Quest, and Mobile systems, designed for all ages and adaptable to both indoor and outdoor use.

## WORLDWIDE

iCOMBAT is featured in **75+ countries**, with a global community of over **1.5 million active players** in our laser tag database.

# OUR PROMISE

CREATING LASER TAG  
EXPERIENCES THAT BRING  
CUSTOMERS BACK FOR MORE.

## QUALITY GEAR

Designed, built, and tested  
in Waukesha, WI, USA.

## HIGHEST RETURN RATE

Fueled by our immersive gameplay and  
custom software & equipment.

## GUIDANCE

Training staff with a combined  
**120 years** of experience in Laser Tag.

# TACTICAL

## LASER TAG EQUIPMENT

Our tactical equipment mimics real firearms with recoil and different firing modes, giving players an immersive playing experience.

MOBILE GAMEPLAY

### USAGE

INDOOR AND OUTDOOR

### ARENA SIZE

2,500+ SQ FT (230 SQ M)

## Valkyrie - Business In a Box

The Valkyrie is the perfect tool for mobile operators. It's easy to set up with pre-programmed games built right into the equipment. It's lightweight and features 3 sensors, 1 in the front and 2 on the sides. Headbands and vests are optional.

- 6 Valkyries Included
- Pre-programmed Games
- Durable Carry Case

## Hero Blast - Business In a Box

Hero Blast Business in a Box is everything you need to start your mobile laser tag or rental operation. Just roll up to your event and open it up to access 8 Hero Blasts (4 Red and 4 Blue).

- 8 Hero Blasts Included
- Pre-programmed Games
- 2 Charging Stations Inside
- Durable Carry Case

# ACCESSORIES

iCOMBAT accessories elevate gameplay with features designed for an immersive laser tag experience. The selection includes the Dominator, an interactive objective prop, the Respawn Pod allows for quick in-game revives, the irBell adds a new unique scoring game, and the irGrenade for multi-hit action, all seamlessly integrated into our laser tag software.

CLICK TO SEE  
DOMINATOR IN GAME

## **Dominator**

The Dominator syncs seamlessly with the software for complete customization. This objective prop keeps player stats and team scoring by shooting down the top.

- Multi-colored LEDs
- Adjustable Carrying Strap
- Rechargeable Lithium-ion Battery
- Unlock 6 Objective-Based Missions

## Respawn Pod

Enables quick revives during gameplay, allowing players to re-enter the action seamlessly.

- 5-10 ft Radius
- Respawn Multiple Players at Once
- Rechargeable Lithium-ion Battery

## Wireless Target

A quick and easy way to add target games to your laser tag operation.

- Multiple Mounting Options
- Stand-alone Shooting Games
- Advanced Target Games
- Rechargeable Lithium-ion Battery

## irGrenade

The irGrenade brings an entirely different level to your gameplay. It's durable outer core is safe for rolling it under the knee.

- 2 Modes: Stun/Eliminate
- Multi-colored LEDs
- Built-in Siren Sound
- Adjustable Countdown and Detonation Time

## irBell

The irBell adds an exciting element to laser tag with audio and visual notifications for scoring. Designed to be placed high up in the arena, teams must shoot from underneath to score.

- Real Aluminum Bell
- Software Interactive Scoring
- Solenoid Activated Bell Noise
- Multi-colored LEDs Inside Bell

# GAMEPLAY SOFTWARE

ICE (iCOMBAT Engine) is a groundbreaking system that lets you fully customize your laser tag arena to fit your theme. With ICE software, you can easily make adjustments to the games, lighting, and audio in just minutes!

## Laser Tag Games

- Over 50+ Games
- Seasonal Games (Zombies)
- Create Custom Games

## Audio/Lighting

- Authentic Sound Effects
- Over 50+ Triggers/Actions
- Custom Event Mapping

## Prop Integration

- Allows More Games
- New Achievements
- Enhances Engagement

# BARRACKS

We keep players engaged with personalized profiles that track their scores, achievements, and progress in real time. The Barracks lets them view their local and global rankings, and allows them to book a session with locations that use our equipment and Ranked Software.

## Player Profile

Players can track their sharpshooting skills with up-to-date stats on their profiles, which track progress and achievements over time.

- **Weapon & Gameplay Stats**
- **Game History**
- **Friend System**

## Worldwide Leaderboard

The iCOMBAT worldwide leaderboard lets players see how they rank against others globally, adding a competitive edge to the laser tag experience.

- **1.5 Million Registered Users**
- **Used Across 75+ Countries**
- **Supports 5 Languages**

## Achievements

Players earn achievements and points by playing games or visiting new locations, helping them level up their profiles.

- **Over 200 Achievements**
- **Seasonal Achievements**
- **Drive Repeat Business**
